Student Letter

My name is Adriana Micaela Guzmán Canedo, I was born in Oruro-Bolivia, I'm fifteen years old, I'm studying in the Deutsche School at 5th of secondary, my parents are: Ms. Susan Fabiola Canedo Vermeer (Cosmetic and guard home) and Eng. Gustavo Enrique Guzman Miranda (Electronical Engineer), he works at the University as a Digital Electronical Manager.

I have three brothers: Belén, Fabricio they are studying in the same School and Paola she's studying Electronical Engineer.

In my free hours, I help in my home, take care of five dogs, listen music, read books and spend few hours in the web.

At school, we choose study areas like Math, Socials and biological at begin 5th of secondary, I choose Biological because I want to study Medicine. My school schedule is in the morning from 8:00 to 12:30 and in the afternoon from 14:30 to 17:30

I wake up at 06:00 o'clock, eat my breakfast and get out to school at 7:30, my school is far from my home, I return at 13:00 for the lunch and come back to the school at 14:00.

I clean my room alone every night, I have my own desk and a personal computer.

I live In Oruro, Folkloric Bolivian Center, it is a small town with almost 250.000 people, the citizen are good people, workers and very friendly. The commerce and the minery are properties of my city. The carnival is the best of the world, because we have many cultures.

I like the truth, I don't like people who gives a bad treatment to animals and children.

Applicant Name: Adriana Micaela Guzmán Canedo

I believe in God and I'm very comfortable with my family, when I have problems my parents are always there to help me .

I want to study Medicine to be Pediatric Oncologist to help children.

I believed that I could be a good Bolivia`s ambassador. I would like to meet a nice family when I get out of my country, make friends, know their culture, customs, traditions and learn other languages and come back to Bolivia, with experiences, souvenirs, ideas to exchange in my family and with my friends .

I Like pets, especially dogs, I have five of them I take care of them every day with their food and I use to take a walk with them because of their health.

When I listen to the music there is a special time with my idol Justin Bieber his songs are romantic and they are planned for people of my age.

I try to practice some of those songs playing the flute sometimes in my room and other times at school in company of my friends.

Because of the Schedule of my school I had to leave my guitar lessons

I used to practice volley ball and basket ball.

As a matter of fact there is no reason in my heart and in my mind to think in a bad way of people I even don't know, there is always a chance to realize about kindness in other hearts and minds, with God as my witness I hope I will find a new and a lovely family and friends in this oportunity.

Thank you.
